

Dear Citizens of the Fourth Ward:

I welcome this opportunity to introduce myself as a candidate for the office of Fourth Ward Councilman. I am 57 years of age and the son of the late Albert and Dorothy Yankle. I now reside at 457 Elizabeth Lane and formally at 116 Courtland Ave. with my wife of 37 years the former Denise Dellick and reared three children Robert, Matthew and Sarah Marie, All graduates of the Campbell School System.

Prior to its closing I was employed by J&L Steel Company, formally the Youngstown Sheet and Tube Company with 15 years seniority. I retired from the Mahoning County Engineers Office after 33 years of employment. My wife and I were members of St Elizabeth Church until it was suppressed and now are members of St. Joseph Church and soon to become one church in Campbell. I still serve as a Lector and Eucharistic Minister and serve on several committees including the re-Organization Committee for all of Campbell Catholic churches. I belonged to several club and organizations such as Haselton Improvement Club, Campbell Gridiron and Campbell Minor, Little and Babe Ruth Leagues to name a few. I was a former member of Locals 1418, 2163 and 1112 Steelworkers Union as well as the Teamsters Local 377.

I received my elementary education from St Elizabeth, Roosevelt and Mary Haddow Schools and am a graduate of East High School, I attended Kent State University and other seminars on safety and drug training for my last employer. My greatest and most enjoyable education was serving you the people of the Fourth ward as your Councilman and the city as your Council President.

During my years of service I was responsible for the completion of several projects in our ward:

Tandy Apartments and Sycamore Place Apartments.

Rezoning of McCartney Road where Burger King, McDonald's, Rite -aid and other mini-Plazas and other business are located.

New Street Department Building

Paving many Streets

Repairs in the Water Department-New Filters and Training

New community Center at the Park

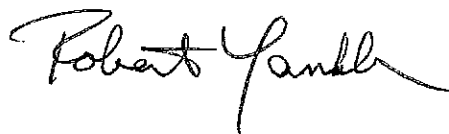

Demolition of homes and other eyesores

Other Projects come to mind I am involved in is the New Mill with the Ohio Department of DEVELOPMENT since its inception in 2009. I am always trying to bring industry back to Campbell, whether 5 jobs or 300, we must always invite them to our city.

Finally, Fourth Ward Residents I ask you to once again put your confidence in me at the polls because now, more than ever EXPERIENCE COUNTS.

Thank You and God Bless You

Robert Yankle
